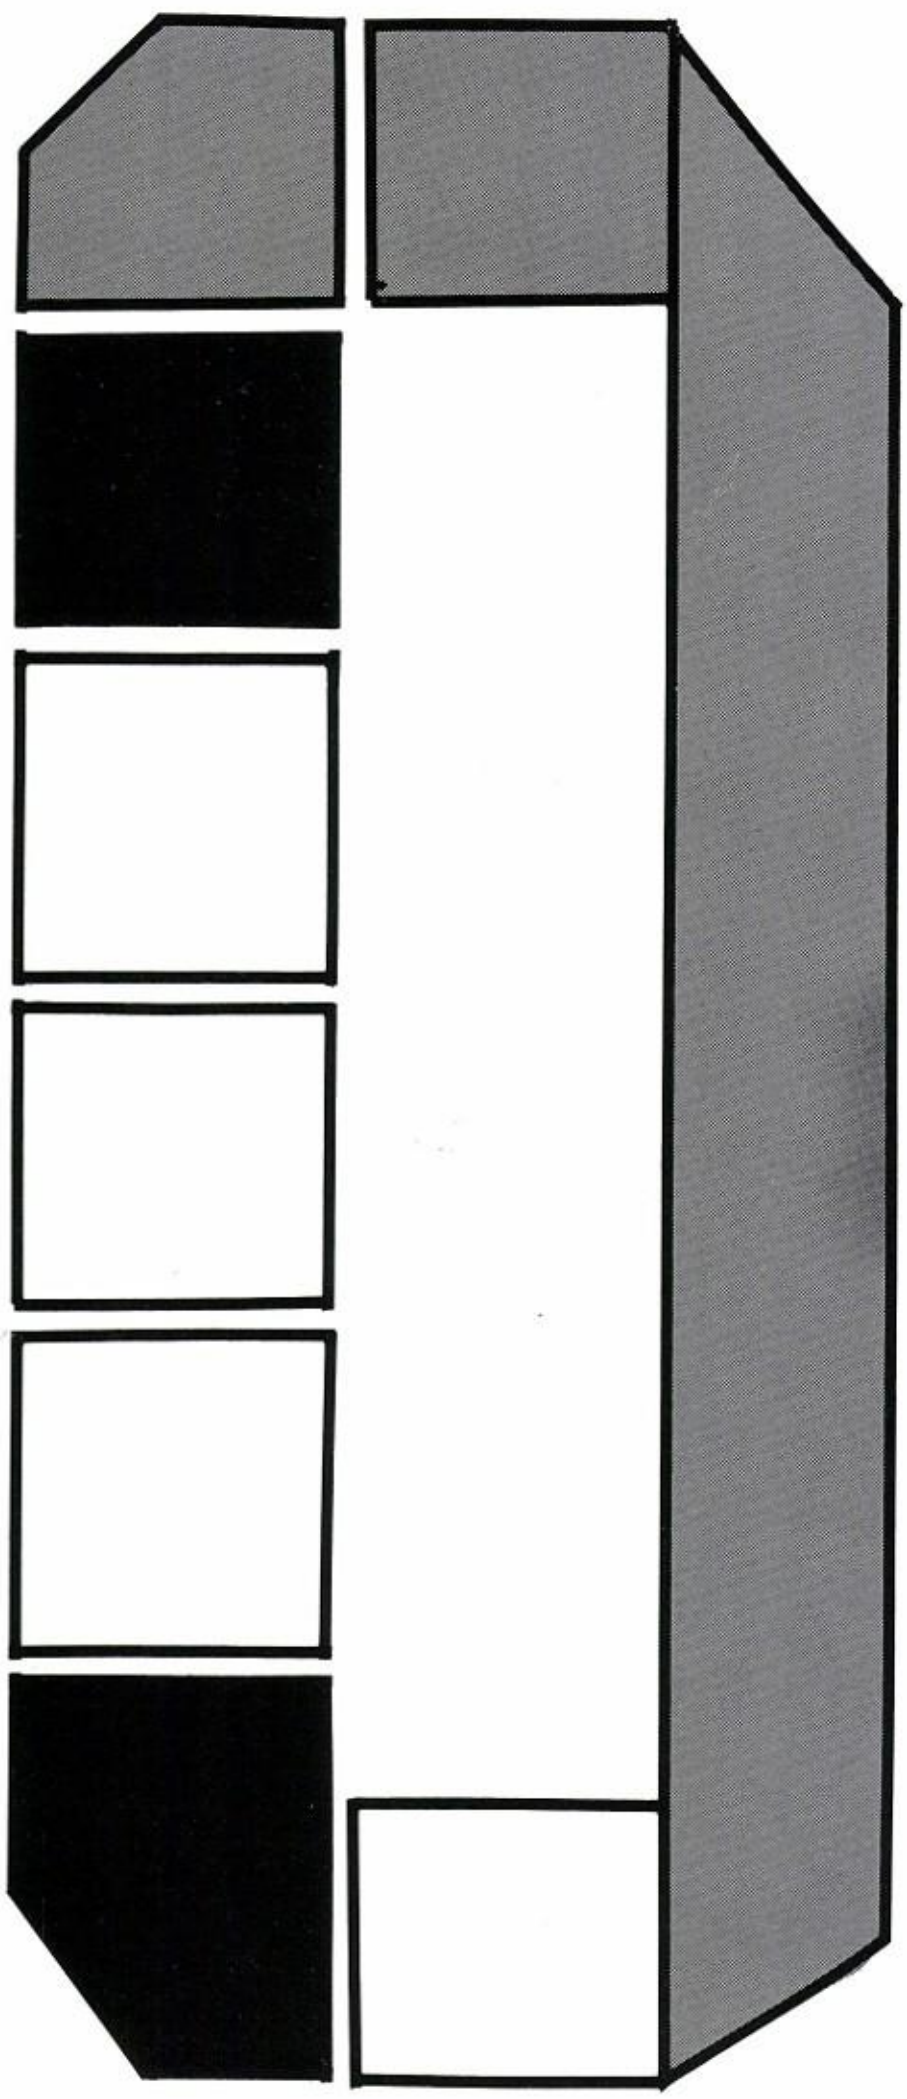
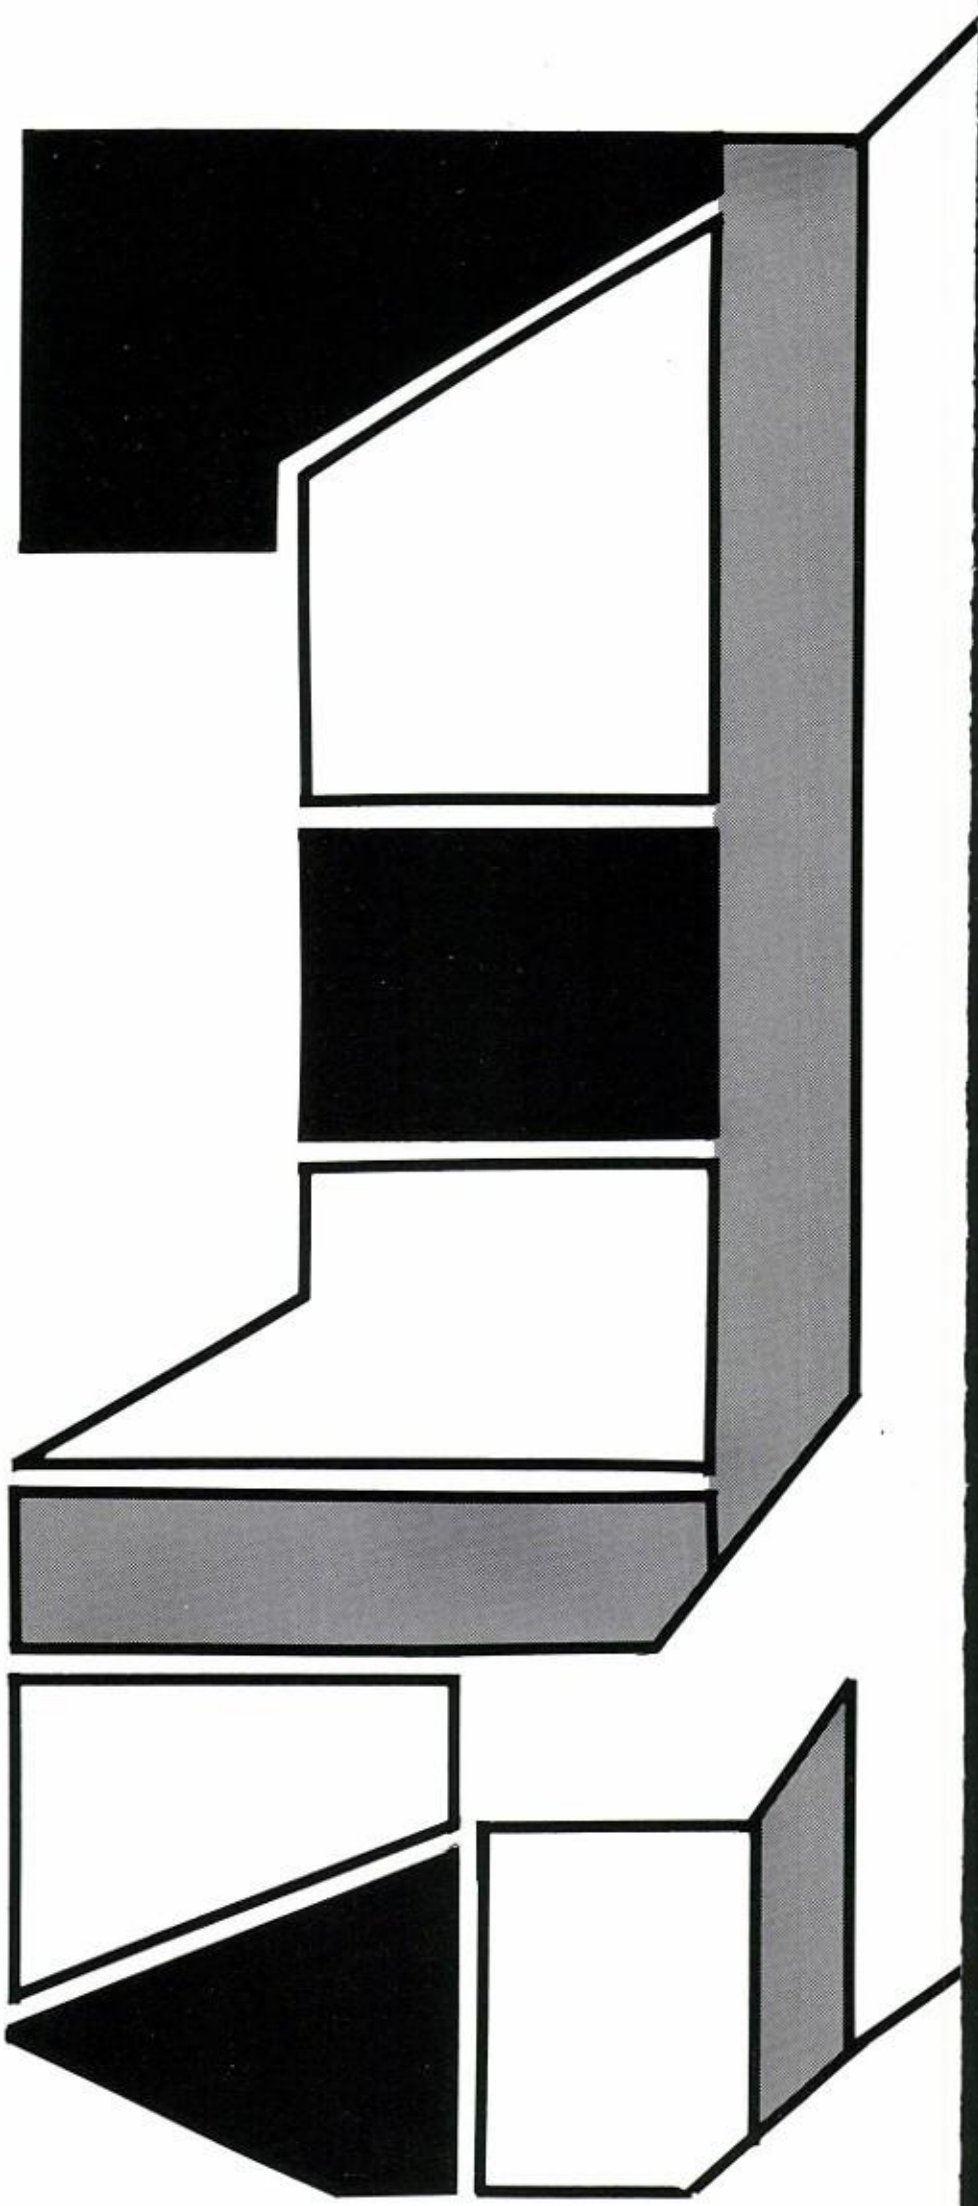
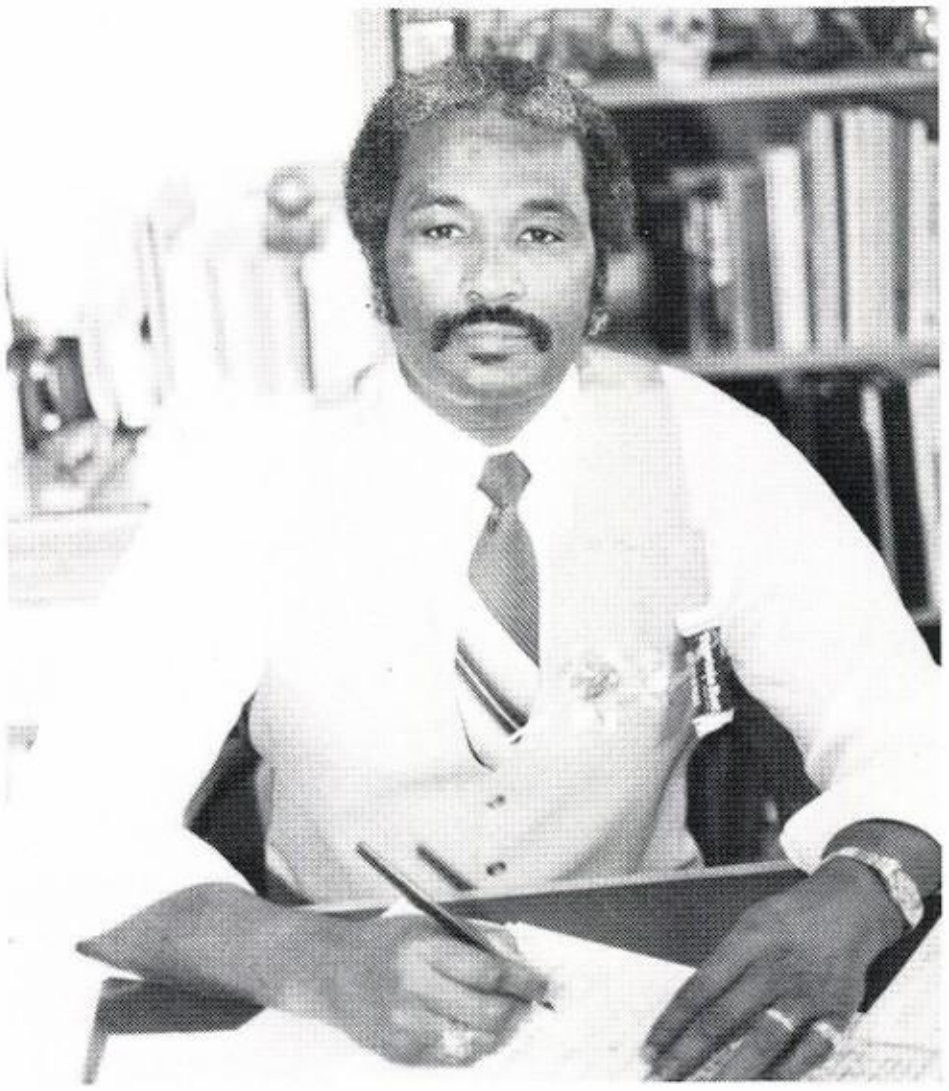
PEOPLE





ADMINISTRATIVE STAFF



The 1982-83 yearbook has within its pages a multitude of activities, events and experiences that were displayed students and staff. In the years to come, this book will remind us of the many happy moments, sad times, periods of depression and periods of joy and excitement that we experienced at Franklin D. Roosevelt High School.

I wish to express my appreciation to the students and staff for making my fourth year at Roosevelt my finest year as an administrator. We have seen significant changes in attitude, self-discipline and self-esteem. The development of these excellent qualities are the ingredients that make Roosevelt an outstanding educational institution. We have begun to truly believe in our motto. "There is no school like FDR-Home of the Winners".

May we continue to display growth and maturity academically and socially in the years to come.

Roosevelt captures district title

By Stan Hovatter Jr.
High School Correspondent

The Roosevelt Mustangs ended an emotional regular season with a 95-84 victory over South Oak Cliff Tuesday night at Loos Field House. The victory, coupled with Samuell's loss to Spruce gives the Mustangs the outright championship in District 10-AAAAA.

Roosevelt, which had eight seniors quit at the beginning of the season, finished league play with a 10-2 record and were 20-11 overall. SOC placed third in 10-AAAAA with an 8-4, 18-12 record. Samuell will be the district's other playoff representative at 9-3 and 17-9.

"It is (emotional) for us," Roosevelt coach Ellis Davis said. "If you'd seen us play at the Dr Pepper Tournament (Christmas holidays), you would have agreed with me that we wouldn't win any district games this year. I'm as proud of this group for winning the district title as I was of my state championship team ('72) and my state semi-finalist team ('81)."

The only player left from that '81 team is the one who helped the Mustangs the most. Jeffrey Jacobs, a 6-4 senior, scored 31 points and had 21 rebounds as Roosevelt dominated play inside. Also helping the Mustangs on the front line were Richard Williams (15 points) and Bruce McDonald (13 points).

"This means a lot to me because I wanted to win some type of district championship my senior year at Roosevelt," Jacobs said. "I wanted to help this team go as far as we can, and I think we can go pretty far."

If the Mustangs do go far in the playoffs, they have the Spruce Apaches to thank. Spruce downed Samuell, giving Roosevelt the undisputed championship. Had Samuell won, the Spartans would have tied Roosevelt. Because the Spartans defeated Roosevelt twice in district, Samuell would have been the first-place representative. Now, Roosevelt avoids playing Wilmer-Hutchins, *The Dallas Morning News*' second-ranked AAAAA area team and the District 9-AAAAA champion.

SOC's Deon Hunter, who scored 17 of his game-high 32 points in the first half, helped the Golden Bears keep the game close. SOC trailed Roosevelt by five, 47-42, at halftime.

But Roosevelt's Rickey Robertson, a 5-10 junior guard, hit 13 of his 20 points in the second half, busting SOC's 2-3 zone. He also canned six of seven free throws down the stretch.

■

In other action, Haltom made a mess of the District 7-AAAAA race with a 49-36 defeat of league co-leader Euless Trinity.

Haltom held Willie Henderson, who had a 22-point average, to just six points. In fact, the Haltom defense forced Trinity to miss its first 10 shots from the field as the Trojans scored only four points the first quarter.

Trinity, a game behind Hurst L.D. Bell, faces Bell Friday night in Hurst. Trinity won the first match between the two, 73-59. Bell was a 79-60 winner over Burleson.

In District 5-AAAA, Madison upset district leader Allen, 65-55. Allen's Jody Reeves scored 27 points, but the third-ranked Eagles could not overcome strong first and fourth-quarter efforts by Madison. Allen's record dropped to 25-3 and 9-2, as Madison moved to 14-13 and 8-3.

J.V. SHOWS GOOD SIGNS FOR THE FUTURE

The mighty J.V. football team of F.D.R. had a respective season by winning 7 games and only losing 3. The student body of Roosevelt felt that the team just wouldn't make it because of the slump they were having in pre-season action, but it would turn out that if there were play-offs for J.V. teams the Mustangs would have made it going as a district 10-5A runner up.

The J.V. finished second by only losing one district game to the arch rival Skyline Raiders, but as you see the J.V. felt pity for no team. They set a record of 5 consecutive shut-outs and a total of 6. The most impressive victories were over newly-arrived rival: Spruce, and the old one, South Oak Cliff.

The J.V. impressed many because they feel with the success of the 1981-82 squad and this years squad, the varsity squad of "83" is almost certain to win a playoff birth.

The young and talented team averaged 30 pts. per game by scoring a total of 226 points, while only allowing 5.4 points a game, just giving up 54 points.

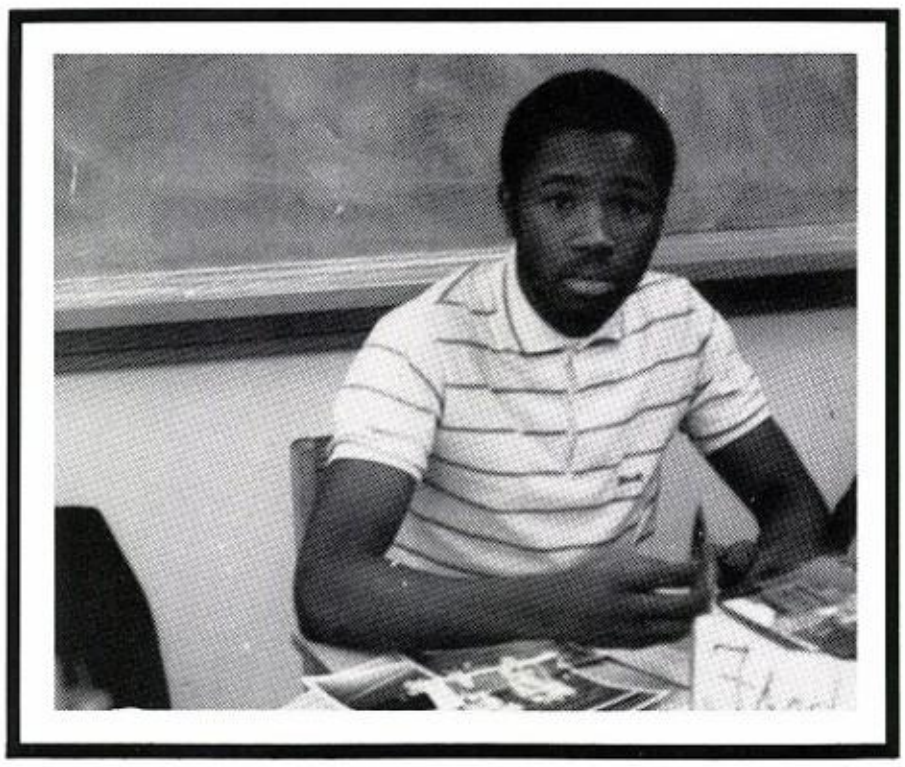
THE EDITORS LAST WORDS . . . . . .

Hello Mustang family, my name is Tina Marie Roberson and I have been your Editor for the 1982-1983 school year. I can truthfully say that working on the yearbook staff has been a vastly enriching experience for me. It has taught me to be very responsible and independent. I have tried my best to make this yearbook one of the best in Roosevelt's history. I really do hope the seniors will enjoy this book because it holds a lot of memories for the class of '83. In this annual lies lots of unforgetable memories that will always linger in my mind. I would like to thank Mrs. Brookins for having confidence in me that I could hold such a great position. I would also like to thank Frederick Coleman, (co-Editor) who has been by my side in all that we have tried to do to make this book an excellent one. Thank you Gloria, Samuel, Patricia, Yul, Belva, and Denise. You have done a beautiful job. Always remember the sky is the limit, so reach for the stars. Be successful in the near future.

Tina M. Roberson
Editor



To the study body and faculty staff of F.D.R., I hope you have enjoyed the 1982-1983 school year and even more this year's annual. We have worked very hard to bring another superb yearbook to Roosevelt, and we do appreciate your support.

Being a junior I may give it another shot my senior year, because out of all the organizations here at Roosevelt there is nothing better than being on the annual staff here at Roosevelt High School. Being on the staff is a training ground for my career. It has so much to do with the field of Journalism.

I remember when it all started. I was in the eighth grade in Junior High, and I would always watch the newspaper staff interview other students, or there would always be someone with a 35mm camera walking around. That's what made me want to be apart of the Journalism field. I wanted to learn how to use the camera and write good stories that caught people's attention. Well, that dream came true in my sophomore year right here at Roosevelt. All in all I could not have done it without the outstanding people and staff members who helped to make this book a success. Well, the time has finally come for me to wish all the class of '83 good luck and have a very pleasant future. Remember, you have only today, if you lose it, it is gone forever.
